*"Unforgettable Memories"*

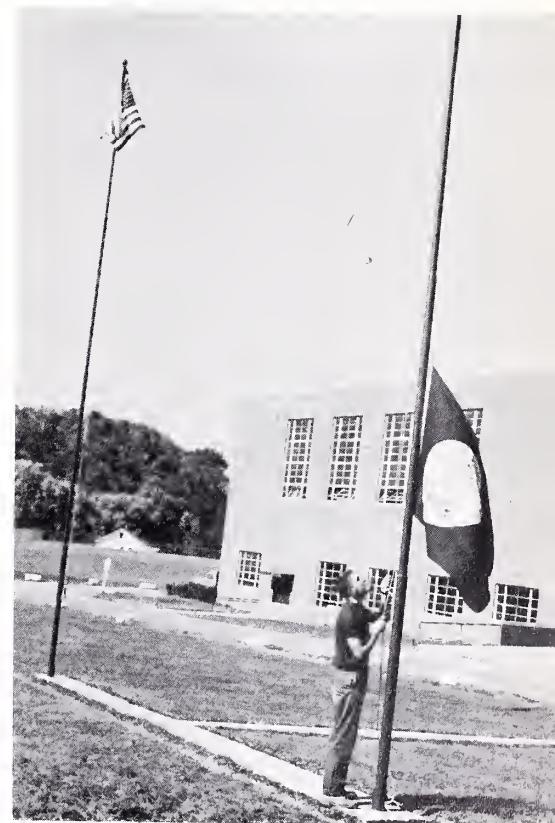

Our parking lot serves a very useful purpose.

Under this roof we have worked and played, laughed and cried, loved and quarreled as we attended classes, assemblies, homeroom programs, basketball games, class tournaments, dances, club meetings, pep meetings and other memorable activities.

We work on vocational training and agriculture.

We pay allegiance each day.

In years to come when we return to these streets, a rush of memories will fill our minds, the mad struggle to get inside the drug store after school, the excitement the day our class rings arrived, our homecoming and circus day parades, the sound of chimes during the World Day of Prayer and the surge of the crowd before the ballgames. To us regardless of how far we go there will always be a place in our hearts for "our" town.

## DEDICATION

With lingering gratitude and deep respect, we wish to show our appreciation to one who will always remain outstanding in our memories. We will remember him as he instructed, corrected, and directed us. Because he is always willing to give a helping hand, we, the annual staff of 1959, dedicate this edition of the Peak to Mr. Wiley Yates.

With Pappy as the drivers education instructor, T.H.S. has some excellent drivers.

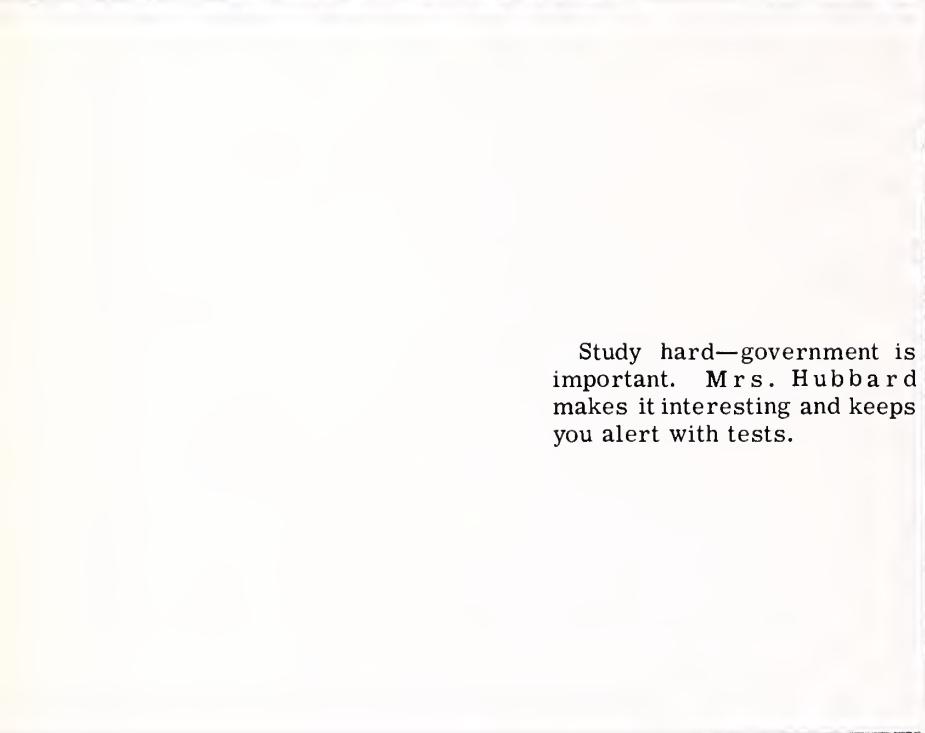

Pappy's familiar face is seen many times at the football games when he could be snug under a blanket on the fifty yard line.

It's hard work but Pappy, always cheerful, doesn't seem to mind.

Keeping fit in a pleasant way  
—Mrs. Harman's class meets  
on the athletic field.

Study hard—government is important. Mrs. Hubbard makes it interesting and keeps you alert with tests.

Science is fun, especially  
Miss Greever's Senior Science  
class.

Mr. Harman's algebra class studies hard while he keeps a watchful eye.

English Literature means  
Macbeth but who minds when  
Mrs. Bowen is the teacher.

It is still warm and Miss Dickenson's art class takes advantage of this fact and sketches the scenes before them.

Just an informal jam session.

No hunting and pecking here  
—Mr. Lombardo watches his  
"speedo's."

No matter what they make,  
Mr. Santolla sees that it is  
good.

Although the football season was not so successful in scores, the performance of our boys was excellent. We are very proud. They fought a good and hard battle in spite of the bad luck suffered. Even with injuries the boys plodded on with great team effort. We congratulate the football team for its splendid performance.

# ACTIVITIES

The click of a typewriter, the rap of a pencil calming us down, loud discussions while planning picture arrangements, arguments about copy, peals of laughter, a whisper of peak secrets, the exclamations over the new pictures--these are the sounds which come from a little room in our school about which few people know, the Annual room. There ten students and Mrs. Bowen have strived to publish the '59 PEAK. The staff wishes to express its appreciation for the untiring efforts and guidance of our sponsor, Mrs. Sarah Bowen.
